Introduction

This is the fourth update of *Combining Voices: A Directory of Services for Adult Survivors of Child Sexual Abuse*. It is one of a series of directories prepared by the National Clearinghouse on Family Violence under the federal Family Violence Initiative.

This updated directory provides a current listing of 508 programs that address the needs of adult survivors of child sexual abuse. The services are listed by province/territory from the east to west coast and, within each province/territory, alphabetically by town or city.

The organizations in this directory provide services for adult survivors of child sexual abuse, ranging from group and individual counselling to crisis intervention and individual advocacy. Each listing identifies whether services are available for women, men and/or children, whether there is a fee for services, and whether bilingual service is available. The coding for these categories is described after the introduction.

The contact information provided in each listing may include: street or mailing address; administrative telephone number; crisis telephone number; facsimile number; e-mail address; and web site. Some listings also include a toll free number, which is generally accessible only within the local calling area. However, the toll free numbers for the National Clearinghouse on Family Violence can be used across Canada.

Please note that we have not attempted to evaluate the services in this directory.

Introduction

Ceci est la quatrième mise à jour de *Voix en harmonie : Répertoire des services aux survivantes et survivants adultes de violence sexuelle à l'égard des enfants*. Il fait partie d'une série de répertoires préparés par le Centre national d'information sur la violence dans la famille, dans le cadre de l'Initiative de lutte contre la violence familiale lancée par le gouvernement fédéral.

Ce répertoire présente une liste à jour de 508 programmes qui répondent aux besoins des survivantes et survivants adultes de violence sexuelle à l'égard des enfants. Les services sont énumérés par province et territoire, d'est en ouest, et, dans chaque province et territoire, dans l'ordre alphabétique des municipalités et des villes.

Les organisations énumérées dans le présent répertoire offrent des services aux survivantes et survivants adultes de violence sexuelle à l'égard des enfants, allant du counselling en groupe et individuel à l'intervention d'urgence et la défence des droits des personnes. Chaque inscription indique si les services sont destinés aux femmes, aux hommes ou aux enfants, si des frais sont exigés et si des services bilingues sont offerts. Les codes désignant ces catégories sont décrits après l'introduction.

Les renseignements fournis pour chaque inscription peuvent comprendre l'adresse civique ou postale, le numéro de téléphone administratif, le numéro de téléphone d'urgence, le numéro de télécopieur, l'adresse de courriel et de site Web. Certaines inscriptions comprennent également un numéro de téléphone sans frais, qui n'est
